19*

Ultralight AB70030 combines a pear-shaped eye with a slender sheet titanium browline design in contrasting colour.

Top: AB70030 C03    Bottom: AB70030 C04

AB70033 promises to make a bold accent to your wardrobe, with comfortable Italian acetate end-tips for all-day comfort.

*b. yourself !!*

Timeless AB47001 presents a new take on a classic agnès b. style by adding coloured wire highlights to its lower rim.

*Toujours, une élégance très parisienne!*

AB40030 offer a stunning study in chic contrasts, with a gleaming metal inner rim and shiny corner accents set into sleek acetate, a combination with modern style and vintage flair.

AB20024 C01

AB20024 celebrates the 40th anniversary of agnès b.'s classic snap cardigan, with a chic black framefront featuring a line of stylish studs echoing the garment's signature snaps.

AB10015 introduces the season's hottest new look - large square eyes with vibrant lenses.

*life in the city*

Chic and unique AB30013 takes it a step further by layering a shimmering hexagonal metal framefront over a layer of translucent acetate for a stylish and distinctly French look.

*so french!*

Titanium made AB7001S is a classic aviator, featuring soft lines, a deep side-shield and chic oversized eyes.
