GLEAMING TITANIUM

The brand's sense of daring style sparks in the slender outlines and temples of the rounded wire-rimmed LS97041, with a dappled-rock black-and-brown option and a refreshing blend of yellow and grapefruit orange.

MINIMALIST DESIGNS

For fans of simplicity, the square titanium style of LS97040 illustrates minimalist design with its ultra-slim frame front and temples in gleaming soft gold and space silver options.

CLASSIC TOUCH

The classic profile of clubmaster style LS94032 features a strong acetate browline, across which murky ocean blue, a multi-colour splash and driftwood grey colour options offer a modern beachy touch.

ENCHANTING HUES

The stylish keyhole design of rounded LS03100 comes in sophisticated easy-going colours as well as three enchanting gradient options—all perfect for a beach bonfire or sultry rooftop party.

SOOTHING GRADIENTS

Highlighted by oval studs at the eye corners, a delicious palette of rich red, gradient brown and black/purple options put a charming spin on the larger eye of LS03099.
